

COMPT 85-1072

16 SEP 1985

MEMORANDUM FOR:
Chief, Legislation Division
Office of Legislative Liaison

STAT

FROM: Daniel A. Childs, Jr.
Comptroller

SUBJECT: Legislative Program for the Second Session of the
Ninety-Ninth Congress

REFERENCE: OLL 85-2679, 13 September 1985

STAT

I have reviewed the proposed legislative program for the Second Session of the Ninety-Ninth Congress contained in reference. Although I don't have any problem with the items proposed, I do believe that items 2, 6, 9, 10, and 12 should be submitted as separate legislation rather than incorporated into the FY 1987 Intelligence Authorization Act.
